

A FEW THINGS YOU SHOULD KNOW TO GET STARTED

1

WIX AFFILIATE

Crystal Pixels collaborates with the WIX Website Hosting Platform, specializing in WIX website design. I can assist you if you switch to WIX, even if your domain is registered elsewhere, and I'll help transfer it. However, please do not sign up without a domain name, as you'll receive a voucher for a free domain for one year through WIX.

2

TELL ME ABOUT YOU AND YOUR BUSINESS/EVENT:

Thank you for your enthusiasm! To understand your website design needs, please provide:

- 1.Primary goal of your website (e.g., showcase products, provide information).
- 2.Target audience for tailored design and content.
- 3.Desired features or functionalities (e.g., contact forms, e-commerce).
- 4.Budget and timeline for the project launch.

3

GATHER INFORMATION:

To proceed, collect and organize all text, graphics, photos, contact info, and social media links for your website by their intended use. Share design elements or themes that align with your brand identity. Detailed preferences will help us customize the website to effectively represent your business and engage your audience. We look forward to bringing your ideas to life!

4

READY TO GET STARTED:

Once you have gathered all your information, email it to **crystalpixel@gmail.com**. I will then send you an invoice for your deposit to get started.

5

REVIEW, CHANGES, APPROVE

I will send you a demo of your website design for review and make necessary changes until it meets your approval.

6

HOSTING AND DOMAIN

Your site will be transferred to your WIX account, and I will send you an email with instructions on how to set up your hosting and domain. Additionally, I will be here to assist you if you require any help.

7

TRANSFER WEBSITE

WIX website hosting plans begin at \$12 per month or \$150 for an annual subscription. By opting for the yearly package, you'll receive a voucher for a free domain for one year.

8

LAUNCH SITE & BEYOND

Once your site is launched, I will be available for the next two weeks to address any corrections or questions you might have. Please note that any changes requested after this two-week period will incur additional charges.
